

As Good as Natural

The quality like Reference

Since 1965, without forgetting our traditional and artisan character, we trust in progress and technology innovation for the continuous improvement of the manufacturing processes of our products, which has made us a reference company in the food sector.

We offer an ample range of products, over 200 products, and we count on with more than 25.000 customers in Spain. So, all this experience is leading us to our international expansion, making alliances with partners in France, UK and Portugal.

Picos.

** Artisan breadsticks baked,
based on the traditional family recipe.*

Artisan Picos selection gourmet

Using high-grade ingredients, mixed in an exclusive manufacturing process, make it possible to offer you top-range products, such as our Gourmet Picos.

A gastronomic product made to be served with appetizers and delicious delicacies.

With its unmistakable flavor and its unique texture, our Gourmet Picos have become the perfect complement to the most exclusive dishes, bringing them the right touch of distinction, leading our extensive range of "Picos" and "Regañãs".

POSSIBLY THE BEST PICO OF THE WORLD

Wheat flour, Water, Salt, Yeast, Emulsifier (E-322).

We pick premium raw materials, to this end we strive for a sustainable environment in our farms, where we cultivate the 70% of the cereals used in the elaboration of our products.

The perfect complement to exquisite treatss

Its crunchy and smooth texture together with its sophisticated flavour, make our Gourmet Picos the ideal complement to any elaborate culinary creation, retaining an exquisite taste for longer in your palate.

Our Gourmet Picos are made from the finest quality ingredients, which we choose in accordance with the highest standards, in order to get a unique and exclusive product.
